

# Turn on/off the queue information

When you want to turn on/ turn off the queue information.

The queue information displays the callers that are waiting in queue in the bottom right corner. Each queue is a row in this list. It can be enabled in the Notifier menu.

## Step-by-step guide

To turn on/ off the queue information

1. From LinkScope Notifier, click on menu **Features**.
2. Check/Unchecked **Queue Info** to turn on/off the queue information.

 This option only displays when you don't use OnePop screen.
